

When a campaign disclosure statement or other document must be filed electronically, it must be filed through the Campaign Electronic Filing System (CEFS). A unique identifier (CEFS ID) and password must be used in place of a physical signature for an electronic filing, and this form must be submitted to request a CEFS ID. Each candidate or officeholder, treasurer, and principal officer must have a separate CEFS ID.

Treasurers and principal officers for committees that are not controlled by candidates (independent expenditure committees, ballot measure committees, etc.) must submit a copy of the committee's most recent Statement of Organization (CA Form 410) with this form.

Electronic filings are mandatory for the following: 1) City candidates and officeholders who raise or spend more than \$10,000; 2) Los Angeles Unified School District (LAUSD) candidates who raise or spend more than \$25,000; and 3) other individuals who represent committees that participate in City or LAUSD elections (such as through independent expenditures) when the Ethics Commission specifies an electronic filing method.

This form must be used to apply for a CEFS ID and must be signed with a physical signature. An electronic signature may not be used for this form, and an incomplete form may delay the issuance of a CEFS ID.
