Lobbying Report: 2nd Quarter 2017

A. Introduction

The Municipal Lobbying Ordinance (MLO) regulates persons who receive compensation to lobby City officials. Los Angeles Municipal Code (LAMC) §§ 48.01, *et seq.* In LAMC § 48.01(B), the MLO makes several findings regarding lobbying activity, including the following:

1. Citizens have a right to know the identities of those who attempt to influence City decisions;
2. Public disclosure by lobbyists and their clients regarding their lobbying activities is essential to citizen confidence in the integrity of local government;
3. It is in the public interest to ensure that lobbyists do not misrepresent facts or their positions;
4. It is in the public interest to ensure that lobbyists do not place City officials under personal obligation to themselves or their clients.

To help ensure adequate and effective disclosure regarding efforts to lobby City government, lobbying entities are required to file quarterly disclosure reports. *See* LAMC §§ 48.01(B)(6), 48.08. This item summarizes information disclosed on the lobbying reports filed for the second quarter of 2017.

B. Legal Background

1. Definitions

The MLO defines lobbying activity generally as compensated conduct related to communications with City officials that are designed to influence municipal matters. LAMC § 48.02. The lobbying entities that are regulated by the MLO include lobbyists, lobbying firms, and lobbyist employers.

A lobbyist is an individual, regardless of title, who is compensated to spend 30 or more hours in a three-month period to engage in lobbying activities that include at least one direct communication with a City official or employee that is designed to influence a City matter on behalf of another person. *Id.* A lobbying firm is an entity that is entitled to receive \$1,000 in compensation for engaging in lobbying activities on behalf of another person during a three-month period, if a partner, owner, shareholder, owner, or employee of the entity qualifies as a lobbyist. *Id.* A lobbying firm may be an individual lobbyist. Finally, a lobbyist employer is an entity that employs a lobbyist in-house to lobby on the entity's behalf. *Id.*

Certain persons are exempt from the lobbying regulations. These include individuals acting in an official government capacity, newspapers and other media outlets that publish editorials or paid advertising, persons whose only activity is bidding on a City contract, and 501(c)(3) organizations that receive government funding and are created to provide direct services to indigent persons. LAMC § 48.03.

2. Registration and Reporting

Lobbyists and lobbying firms are required to register with the Ethics Commission on an annual basis. LAMC §§ 48.07(A)-(B). Registration is required within 10 days after the end of the month in which the qualification threshold is met. LAMC § 48.07(A). The fees for each year's registration are \$450 per lobbyist plus \$75 for each client from whom the lobbyist is entitled to receive \$250 or more in a calendar quarter. LAMC § 48.07(C).

Each lobbying entity is required to file a disclosure report for every calendar quarter in which it qualifies as a lobbying entity. LAMC § 48.08(A)(1). Lobbying entities must continue to submit quarterly reports until registration is terminated, either voluntarily or automatically by virtue of the end of the calendar year. The disclosure reports must contain specific information, including the following:

- a. Each City agency that a lobbyist attempted to influence. LAMC §§ 48.08(B)(12), 48.08(C)(14).
- b. Each municipal matter that a lobbyist employer attempted to influence. LAMC § 48.08(D)(6).
- c. Total payments from clients to lobbying firms. LAMC § 48.08(C)(4).
- d. Total payments to lobbyists by lobbying firms and lobbyist employers. LAMC §§ 48.08(C)(7)(a), 48.08(D)(3).
- e. The elected City officials, candidates, and committees for which a lobbyist engaged in fundraising activity, as well as the dates of the activity and the amount of money raised. LAMC §§ 48.08(B)(7), 48.08(C)(9), 48.08(D)(10).
- f. Services provided by a lobbyist to a City candidate or ballot measure campaign or to the City under contract, including the amount of compensation received for those services. LAMC §§ 48.08(B)(10)-(11), 48.08(C)(12)-(13).

3. Prohibited Activities

Lobbying entities are prohibited from engaging in certain types of activity. They may not attempt to deceive City officials. LAMC §§ 48.04(B), (D). They may not place City officials under personal obligation to them. LAMC § 48.04(A). They may not create a municipal matter for the purpose of being retained to lobby on that matter. LAMC § 48.04(C).

Lobbyists and lobbying firms are also limited in certain financial activities. They may engage in fundraising, but they may not make campaign contributions to elected City officials, candidates, or their committees if they are required to be registered to lobby the office the official or candidate holds or seeks. Los Angeles City Charter § 470(c)(11). And they may not make or act as an intermediary in the making of a gift to a City official. LAMC §§ 48.04(E), 49.5.8(A)-(C).

C. Second Quarter Compliance

In the second quarter of 2017, there were 420 registered lobbyists and 123 registered lobbying firms, including 42 sole proprietorships. In addition, there were 72 lobbyist employers.

These 615 lobbying entities were required to file 573 disclosure reports for the second quarter (the 42 sole-proprietor lobbyists were required to file a lobbying firm report but not a lobbyist report). A total of 569 reports (99 percent) were filed on time. Penalties totaling \$250 were paid in connection with reports filed past the July 31 deadline. The tables in this report detail and summarize information that was disclosed through all reports filed for the quarter.

D. Top 10 Highest Paid Lobbying Firms

Lobbying firms are required to report the total amount of payments they receive each quarter from the clients they represent. A total of \$16,935,200 in payments from clients was reported by all lobbying firms for the second quarter of 2017.

The ten firms that reported the highest total payments from clients are identified in the table on the following pages. Each of the top ten firms reported receiving at least \$425,000 from clients in the second quarter. Together, the ten firms reported receiving a total of \$9,049,389, which represents 53.4 percent of all payments from clients reported by all lobbying firms for the second quarter of 2017.

E. Top 10 Highest Paying Clients

In the second quarter of 2017, there were 1,458 registered clients of lobbying entities. Lobbying firms are required to disclose the payments they receive from their clients and the projects associated with those payments. The clients that lobbying firms reported as having paid the most for lobbying services in the second quarter are identified in the table on the following pages. Payments from clients with similar names and projects are aggregated.

Each of the top ten highest paying clients spent at least \$118,000 during the quarter. Combined, their payments totaled \$2,456,399, or 14.5 percent of the \$16,935,200 total reported payments from clients.

F. Fundraising

Lobbying entities are required to disclose the fundraising they engage in on behalf of elected City officials, candidates, and committees. Of the 573 second-quarter lobbying entities, 13 (2.3 percent) reported fundraising activity totaling \$96,075. A breakdown of the second-quarter fundraising activity as reported by these seven lobbying firms and six lobbyists is provided in the table below. Entities that reported identical amounts for the same candidate or officeholder may have served as co-hosts for the same fundraising event.

G. Contributions

Lobbying entities must also report on a quarterly basis the contributions they make or deliver or for which they act as intermediaries.

A lobbying entity delivers a contribution for another person when the lobbying entity causes the contribution to be mailed or physically conveyed to the recipient. A lobbying entity is an intermediary for a contribution when the lobbying entity makes the contribution, itself, on behalf of another party who then reimburses the lobbying entity. The identity of a person for whom a lobbying entity acts as an intermediary must be disclosed.

Certain contributions are prohibited. Lobbyists and lobbying firms may not make contributions to elected City officials, candidates, or their City-controlled committees if they are required to be registered to lobby the City office the official or candidate holds or seeks. This ban does not extend to lobbyist employers.

In the second quarter, six lobbyist employers reported making a combined \$11,400 in contributions. These contributions are detailed in the following table.

H. Activity Expenses

Lobbying entities are required to report the payments they make to benefit City officials and their immediate family members. LAMC §§ 48.08(B)(4)–(5), 48.08(C)(5)–(6), 48.08(D)(7)–(8). Activity expenses include gifts, and they must be itemized if they are valued at \$25 or more. *Id.*; LAMC § 48.02.

Just as lobbyists and lobbying firms cannot make certain campaign contributions, they also cannot make gifts to City officials. Gifts from lobbyist employers are not prohibited, but they may not exceed \$100 per City official per year. As noted in the next table, four lobbyist employers reported activity expenses totaling \$2,811 in the second quarter of 2017.
